Technical specifications		Warranty
Power	5.0HP,1ph/220V/50Hz, 22 A (Working with 60Hz)	1 years warranty. (Inclusive polishing pad disc and water tank)
Weight	70 kg (w/out weighted iron)	
working Speed	Adjustable : 200-250-300-400 rpm	
Working Diameter	17"	

Options Accessories

Metal diamond disc	Anti-Shock disc	Abrasive disc	Metal Diamond plate
For Stone Level stone's gap	For concrete Patent rubber can eliminate vibration caused by uneven floor	For Stone 6 velcro holders hold pads tightly when polishing.	For Flat Stone Surface Grit: 1,2,3 Dia: 100 mm
			For Normal Concrete Grit: 0,1,2,3 Dia: 100 mm
			For Normal Concrete Grit: 0,1,2,3 Shape: Rectangle
Magnetic disc	Polishing pad disc *	Abrasive disc	For Soft Concrete Grit: 1,2,3,4 Shape: Diamond
For Concrete Quick-Change System Mounting Diamond Abrasives without Tools	For Stone/Concrete Velcro with sponge. Suitable for daily clean and maintenance	For Wood Polishing 6 Velcro Holders with Hard plastic	
			For Medium Concrete Grit: 1,2,3,4 Shape: Round
			For Hard Concrete Grit: 1,2,3,4 Shape: H type
Weighted Iron 14 kgs	Nylon Brush disc	Bristle Brush disc	For EPOXY remove
For Stone/Concrete More pressure, more efficiency Special slot design, 2 stacks at most	Nylon brush can easily clean dust in gap or holes on the floor	For Floor Waxing	
			Polishing plate
			For Stone/Concrete Polishing Grit : #30, #50, #100 Dia: 80 mm
			For Granite Polishing Grit : 1,2,3,4 Dia: 80 mm/100 mm
			For Marble Polishing Grit : 1,2,3,4 Dia: 80 mm/100 mm
